- Weight: 1.34 kg
- Packaging dimensions (W x H x D): 248 x 224 x 212 mm
- Weight incl. Packaging: 1.94 kg

Product highlights

wOOx Technology
wOOx Technology is a revolutionary loudspeaker concept that allows you to hear and feel fantastically deep bass that's louder than any other audio system. Special speaker drivers work in harmony with the wOOx bass radiator and precise tuning between the main driver and the tweeter ensures smooth transitions from low-mid to high frequencies. Dual suspension and a totally symmetrical sandwich construction deliver low and precise base without noticeable distortion. wOOx produces exceptionally deep and dynamic bass by using the speaker box full volume to truly magnify the impact of the music.

Aux-in connection

Wake up to iPod/GoGear music

Digital tuner with presets

5 one-touch radio presets
Access your favorite stations with simple one touch operation
